

## *Joseph's commitment to our guests and employees*

The health and safety of our guests and team members has always been our first priority. We are constantly monitoring the latest information from the Governor's office as well as the Centers for Disease Control & Prevention (CDC), to inform our decisions. While our dining room is closed, we've taken great care to continue to serve you with our Curbside or Delivery offerings. We look forward to serving you in our fine establishment, however, please know that dining as we once knew it will take on some significant changes.

What you can expect from us:

1. Healthy team members.
2. Clean restaurant as we will disinfect all tables after each visit and hard touch surfaces frequently.
3. Social distancing. Our tables are spaced appropriately with a minimum of 6 feet between each table.
4. Protective equipment. All team members will be wearing masks and gloves.
5. Frequent handwashing and sanitizing.

What we need from you:

1. Plan ahead with reservations.
2. Do not congregate in lobby or bar.
3. Give fellow guests their space of at least 6 feet in all areas.
4. Please wear a mask when not at your table.
5. Frequent handwashing and sanitizing.

Let's all work together to come out safely on the other side.
